

Blakeney Community Car

The Harbour Rooms have a community car, a Vauxhall Corsa Eco. The environmentally clean, green car is parked in the Harbour Rooms car park and enables community members to get the benefits of car use without the stresses of ownership.

If you wish to use the car, you will first need to register by filling in a declaration form and producing your driving licence.

The car is now available for ages 21-75
(special conditions for under 25s and over 69s)

We think this a fabulous facility for the community and hope you all agree. By using the community car rather than investing in a car yourself you could on average save £1,000 per year and cut down on your CO₂ emissions for transport by about 30%.

ONCE REGISTERED IT IS A SIMPLE AS 1, 2, 3.....

- 1 Book
- 2 Drive
- 3 Pay for mileage

For details on registering and booking the car please call:-
07887 875176 / 07825 924385 (Mon - Fri 9am - 5.30pm) or
01263 740783 at other times.
